# FROM THE DESK OF EDITOR

The journey started on 02 April 2017.....

A total no of 199 Bangladeshi and 68 foreign armed forces officers joined Defence Service Command & Staff College on 02 April 2017. We were scattered, not known to each other and from different countries of the world. But within a very short span of time this institution took us close to each other. We are now a part of big family who laughs together, enjoys together, shares weal & woes together.

This journey will also end one day following the 'Rule of Time'. We will be scattered again. But the bonding, grown inside this institution, will long last; may be forever. This journal takes an endeavor to engrave our memories inside black & white words and colorful photos. After passing out from this Alma Mater, we would often cherish our memories surfing inside this journal which is filled with our memories and rich in text.

I would like to express my heartfelt thanks to everyone related behind this journal. Their selfless attitude and devotion made this journal possible. Despite remaining inside a compact schedule, they spared their valuable time behind this journal and put their best to make it a memorable one.

May the Almighty bless us all.

**Major Mohammad Mozammel Hoque, Sigs**

# COMMANDANT'S MESSAGE

The 38<sup>th</sup> issue of the “Torch Magazine”, whistling the end of the calendar year 2017-18, is at the editorial table now for the final proof and I am immensely happy to hear the bugle of saying goodbye to the course members of DSCSC 2017-18.

I congratulate the course members for being with the busy schedule with hope and patience. Nevertheless, I am sure, despite the pressure of the curriculum, the remembrance of this colorful one year will be engraved in their mind throughout their life. Specially the foreign friends made this one year more enjoyable offering the course members the opportunity to learn and exchange of perspective.

This is really an auspicious moments for both the faculty and the students. I am sure, the students are more knowledgeable now and ready to put their best effort in respective armed forces. At the same time I thank the faculty to put their best effort to ensuring the flow of knowledge inside the students.

At last I want to thank Almighty Allah for the successful completion of another calendar year.

May Allah help us all.

**Major General A K M Abdullahil Baquee, ndu, psc**  
Commandant  
Defence Services Command And Staff College (DSCSC)

## DSCSC COURSE 2017-2018

### The Beginning.....

02 April 2017, marked the beginning of DSCSC 2017-18 with the participation of officers of Army wing along with their families. On that day, total 136 officers from Bangladesh Army and 39 overseas officers from 21 different countries started their quest of knowledge in pursuing their professional excellence. Though the course started on 02 April 2017, but the chronicle began one week before when the student officers along with their families started stepping into the DSCSC, Mirpur for their next 44 weeks' voyage. Like previous courses, student officers were allotted with accommodations in Mirpur, Bananai and Dhaka Cantonment residential areas which were perfectly ready to receive the proud future MIRPURIANS. The official programme of the course started with the colorful "Ice Breaking" session on 01 April 2017. Ice breaking was a unique opportunity for the student officers to know and interact with the faculty members and other staffs of the college to ease up their relations for subsequent days to come. However, after completing the necessary preparations, student officers were ready to start off their long arduous journey.

### First Term

The day of the first term started with the flamboyant flag raising ceremony, where the senior most student officers of all the participating countries hoisted their respected country flag in front of the Mirpur Hall. The central photo session was the next remarkable event of the day, where all the student officers of the Army wing were brought into a single picture square. Thereafter, the term went on with its own programme and schedule. The examination started right from the first week with the open book examination on JSSDM and SOHB, whereas the exercise was introduced in the second week with exercise KOTHAMALA. But, the most remarkable events of the initial weeks of the term were the health runs. During those events, we astonishingly witnessed the physical robustness of our commandant who beat almost half of our course in 4 kilometers running. However, it was a great lesson learnt for all of us which reminded us about the dimness of our own physical agility. However, Slowly and gradually we started feeling the hype of the busy course schedule and also started adapting ourselves with the mellow. During the course, exercise KOTHAMALA oriented us the art of oral expression, whereas exercise MUKTO CHINTA offered us the opportunity to heighten our writing skills. Meanwhile, we discovered ourselves as novice researchers, working desperately in search of good research topics. During this time, Air and Naval Taxonomies were introduced which opened a new window of knowledge for all of us. Visit to Bangladesh Air Force (BAF) Base Bangabandhu and Air Defence Operations Centre (ADOC) was our first outdoor visit where we amazedly witness the flying maneuver of fighter air crafts. Exercise BORENDRO PRACHIR and exercise PRAN SHANCHAR were the two important exercises of the term where we experienced the writing of complete operations and administrative orders respectively. Towards the end of the term, we jumped into the Exercise NEKREY NAKSHA to widen our knowledge on IPB and DMP. Last but not the least, during this term, Army wing arranged its only social evening of the course named "Rhythm of Life". We put all our sincere efforts to make the event a memorable one. As such, the show was spell bounding and also duly appreciated by all concerns.

## DSCSC COURSE 2017-2018

### Second Term

We started our second term in the holy month of RAMADAN with exercise OVIBAKTI, where we experienced the writing of short argumentative essay to strengthen our writing skills further. Thereafter, the term continued by unveiling number of new events and exercises. Disaster management and media workshop are two of such new proceedings of which we had very shallow idea. However, we were duly taught and orientated with the minor details of such interesting yet important aspects of recent era. Exercise SHAKTI SHOMOTA and exercise MORON CHOBOL were the two important exercises of the term which were conducted on defensive and offensive operations respectively. These were also the events which tested our tenacity and prepared us for the subsequent straggles of the course. However, throughout the term, student officers remained busy in learning and preparing military history presentations. Counter insurgency operations package was another inimitable event of the term which offered us the opportunity to know about the insight of Sri Lanka counter insurgency operation from the experiences of the Sri Lankan war veterans. The busy days of the term went into the blink of the eyes and suddenly we discovered ourselves at the start point of Command Post Exercise (CPX) CHORABALI. For the next three weeks, we almost remained confined within our respective command posts and headquarters for the conduct of CPX. Though the days were tough but those were the precious days of learning and acquiring knowledge. However, the time went on and at the end of the term we discovered ourselves as half MIRPURIANS.

### Third Term

Third term was the term of jointness and outdoor events. Main focus of the term was placed on joint syndicate discussions to educate us on military strategy and operation. Likewise, strategy seminar and campaign level exercise SHOMOR NAKSHA were conducted to complete our learnings. This was also the term where we started our outdoor exercises with Exercise TEWT Paper Writing at Ghatail. Exercise BASHER KELLA was the other outdoor exercise of the term which was conducted on TEWT defence at Bogra. These two were the landmark events of the term which sharpen our Tactical level knowledge. Amphibious operation was the new arena of learning which appeared before us during this term. Our theoretical learning of amphibious operation became completed by attending the exercise HATI KHEDA. However, Leadership Seminar and IR packages were the other important events of the term which helped us to widen our vision and generate wisdom. Never the less, the students have also found the breathing space by getting the opportunity to travel around the country during Internal Study tour. With the blink of eyes, the busiest term of the course passed away and we prepared for our final ride.

### Final Term

Final term started with the rush of completing IRP for its final deposition. We worked day and night to draw the final conclusion to our last three terms' works. After depositing the IRP, we prepared for its defence and viva voce. The successful completion of all the works/events gave us a true sense of accomplishment. Meanwhile, we have also participated in our last outdoor event – Exercise

# ARMY WING COURSE RESUME

## DSCSC COURSE 2017-2018

PROBOL GHURNIJHOR on TEWT attack and Assault River Crossing at Rajendrapur. This exercise was our last event to cement our tactical learning on offensive operation. Exercise BHABISYAT PORIKOLPONA was another unique event of the term which lead us through the planning process of force structuring to meet the future goals of the nation. At the half way of the term, we proceeded for our visit to Chittagong Hill Tracts and Saint Martin Island. Journey through Bay of Bengal in navy ships was the most unique experience for the student officers of the army and air wing. The visit was a real opportunity for us to inhale the fresh air before sinking into the busy schedule of Exercise OGNI BEENA. However, the free time passed away and we embarked into the 21 days' exercise - OGNI BEENA. This mega event has taught us to plan joint operation at campaign level, then prepare the support campaign plan at services headquarters, and lastly to execute the plan through Command Post Exercise. However, all the student officers could successfully complete the exercise by displaying the strength of their knowledge and learnings of the course. Meanwhile, the course ending events like Golden Evening, Garden Party and Graduation Dinner took place in its due course of time. Gala Night named "Happy End" was our final effort to cherish our memories of last ten month and we left no stone unturned for that. Lastly, the most awaited 07 February 18 came into being when we attended the coveted Graduation Ceremony. The Hon'ble Prime Minister graced the occasion and handed over the certificates to the graduates as an emblem of last ten months hard work and dedication. On 8th February 18, we successfully completed our journey of staff college and turned into true MIRPURIANS.

An illustration showing a family of four (a man, a woman, and two children) standing together. To their left is a white silhouette of a soldier in a crouching position, holding a camera as if taking a photo. The background is a soft, yellowish glow.

# NAVAL WING STUDENTS WITH FACULTY

05 FEBRUARY 2018, DSCSC COURSE 2017-2018

# NAVAL WING COURSE RESUME

## DSCSC COURSE 2017-2018

The trumpet of official inauguration of Staff Course 2017-18 through Flag raising ceremony, Commandant and CI Address was heard on 02 April 2017. Thereafter, the bit of academic activities of 37th Naval Staff Course was first played with address of SI (Navy). Total 51 officers from 11 countries attended this Course. One officer each from India, Pakistan, China, Kingdom of Saudi Arabia, Kuwait, Malaysia, Nigeria, Philippines, Sri Lanka, and Tanzania glorified the course by adding their own colours to the 'naval rainbow'.

### First Term

First term of naval staff course was predominantly designed for maximum single service classes with flavour of joint service classes. This term was designed to impart writing and communication skill to student officers with a bit of Operational Writing. Ex MUKTOCHINTA (Analytical Essay Writing) along with Ex KOTHAMALA- 1 and 2 (Extempore and Set Speech) were conducted for improving communication skill. If student officers are jerked up with these exercises, Bengali New Year Pohela Boisakh programme brought joy and colour in their life specially for Overseas friends with traditional Panjabi and festive food. Meanwhile, student officers enjoyed their afternoon games period through Volleyball Competition, Health run and ladies enjoyed afternoon through enrichment programmes. Operational Writings and Basic Warfare Procedural studies occupied middle part of the term. Naval Wing Student Officers enjoyed 'half-time break' through visit of maritime infrastructure of South-Western part of Bangladesh and scenic beauty of Sundarban on completion of first half of this term. First ever cultural programme arranged by local and enthusiastic overseas officers in honour of officers of Khulna Naval Area made this visit colourful and memorable one. On completion of visit, the rhythm of the course was re-generated through Ex PORIKOLPONA (Writing Appreciation), Ex HUKUMNAMA (Writing Operation Order), Ex PROTIBESHI (Study on Neighbouring Navies) and Ex SHOMUDRA TANDOB along with packed of academic classes. The peace and tranquility re-emerges in students' life at the end of term specially with the starting of holy month of Ramadan.

### Second Term

Second term of naval staff course was a blend of single service with joint service classes. This term was designed to conduct Tactical Level Exercise, introduce to Operational Level Orders along with as usual writing and communication skill exercises. At the very starting of the term, Ex MUKTOCHINTA (Analytical Writing) alongwith EX OVIBAKTI (Essay Writing) were conducted for improving communication skill of student officers. Eid-UI- Fitr was celebrated after Holy Ramadan in the 1st half of the term. Meanwhile, student officers enjoyed their afternoon games period through Football Competition and health run. Naval War Study (NWS) and Military History Package enriched the war historical knowledge of naval wing student's horizon. Students learnt a lot through Disaster management, Counter Insurgency and media package. At the 2nd half of the term, student officers underwent a Tactical Level Warfare exercise, rightly named as 'EX SHOMUDRO BIVISION'. Student officers underwent Appreciation and orders writings along with table

# NAVAL WING COURSE RESUME

## DSCSC COURSE 2017-2018

top war game in this exercise. Last part of the term was full of busy schedules by day and at night. Student officers underwent Operational Level Orders writing procedures in this end and they also underwent an exercise named Ex SHOTRU SANKET which encompassed Navy Planning Process(NPP) and Intelligence Preparation of Operational Environment(IPOE). Simultaneously, officers and their families present a splendid Social evening named 'AHOY' at the end of this term. Number of Joint Syndicate discussions were prominent in this term.

### Third Term

Student officers joined third term after two weeks midterm leave. Third term of naval staff course was designed for both single service and joint service participation. This term started with a critical view of students through Ex JUKTI TORKO(Argumentative Essay Writings).At the very 1st week, Ex MUKTO PROKASH (Analytical Writing) was also conducted for improving communication skill of student officers. Naval and Air wing student officers also jointly prepared appreciation and opO for naval-air joint exercise 'Ex LUBDHOK GUNGCHIL' in this week. Then Ex SHOMOR KOUSHAL (Ex Paper Writing, IPOE and NPP) was conducted for more than two weeks. Student officers prepared Operational- Tactical level Exercise setting in the initial part of this exercise and carried out extensive Naval Planning Process in the later part. Then student officers went for an arduous exercise session in School of Maritime Warfare and Tactics (SMWT) during 'Chittagong Visit'. Student officers participated in computer assisted war game there. Naval student officers took part in Ex SHOMOR KOUSHAL for 1st 2 days of the visit and visited Naval Base 'BNS NIRVIK' and Chittagong port on the next day. They also experienced an air reconnaissance on board a BAF aircraft in the afternoon of same day taking the advantage of 'Joint Naval-Air engagement'. This engagement was further extended through EX LUBDHOK GUNGCHIL, where naval and air Wing student officers played war game in SMWT for last 2 days of the Chittagong visit. Then total joint service environment was commenced. This phase was started with 'International Relations' package. Then 'Joint Operation, Strategy and Operational Art' Package was started with extensive presentations and syndicate discussions. This package was terminated with Directing Staff Guided Exercise 'Ex SHOMOR NAKSHA'. Then the flavor of classical joint operation 'Amphibious Operation'was given to the student officers. At first, the presentation and syndicate classes were conducted and Amphibious Operation package was terminated with extensive 'Ex HATIKHEDA'. All the students of the course took a respite through an internal study tour in different areas of Bangladesh. The packed term was terminated with a Leadership Seminar for all but naval wing student officers had something more to offer. Naval Wing student officers conducted Ex SHAMUDRI ONNEYSION' - Maritime Strategy Seminar in the last week of this term.

# NAVAL WING COURSE RESUME

## DSCSC COURSE 2017-2018

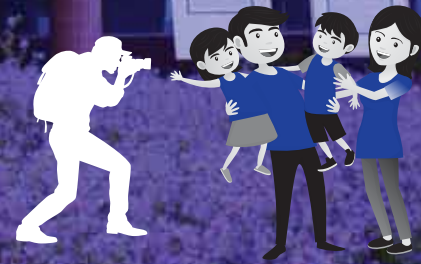

### Fourth Term

Fourth and final term of Staff Course commenced with two ex named Ex MUKTO PROKASH and Ex-JUKTI TORKO conducted in service syndicate. Then the class on 'Force Structuring' followed by Ex BHABISYAT PORIKOLPONA was conducted. Then the day long Liberation War Package, conducted in the month of victory, was the true remembrance of our heroic memories of the Liberation War. Then naval wing student officers along with that of Army and Air wing proceeded to enjoy the scenic beauty of Chittagong Hill Tracts and Bay of Bengal. The sea trip on board Bangladesh Navy ships became a lifetime memory for naval wing officers to acquaint their course mates of sister services with traditional naval exercises. Then returning to college premises, Naval Wing student officers participated in Ex LOKKHO NIRDHARON regarding the staff requirement of a Naval Ship acquisition. Moreover, defence of Individual Research Paper was going on frequently. Finally the grand tri-service exercise Ex OGNI BEENA was conducted for three weeks in three different stages covering mil-strategic to tactical level. Academic curriculum of this course was terminated with viva-voce of Individual Research Paper. Finally, the term and the course terminate with the well-organized Graduation Dinner and Graduation Ceremony.

# AIR WING STUDENTS WITH FACULTY

05 FEBRUARY 2018, DSCSC COURSE 2017-2018

# AIR WING COURSE RESUME

## DSCSC COURSE 2017-2018

### ORIENTATION

The journey of 38 Air Staff course started with a total of 43 student officers including 25 BAF student officers and 18 overseas student officers from friendly air forces. Shifting of the accommodation of BAF officers from different places to DSCSC residential area and issuing of required précis for the course were two preparatory events. The ice breaking ceremony was conducted on 30 March 2017 where all the student officers were joined along with their families. On 2nd April 2017 the journey started with the Flag Raising Ceremony and the Commandant's opening address. Immediately after that, on 14 April 2017 the Bangla New Year celebration gave opportunity all to get oriented faster.

### TERM-1

The 1st term has started with the submission of 'My Life' essay to respective syndicate Directing Staffs. The term concentrated commonly on the basics on the foundation of knowledge. Oral expressions were tested by EX-KOTHAMALA-1, 2 where the students could focus on improving the communication skills. MUKTOCHINTA-1 was the first analytical essay writing exercise in this term. Then getting oriented with the research methodology, selection of appropriate topics for the Individual Research Paper (IRP) appeared as big challenges for student officers. By EX-BIPUL SHOMBHABONA, student officers of Air wing learnt the basics of complex application of air power techniques through many sleepless nights. EX-SHAR SHANKHEP helps the student officers to learn the analysis for decision making process. The Air Intelligence Planning of Battle space (AIPB) was carried out by the EX SHOTRUR PURBAVASH. EX-LOTBOHOR was planned to give clear idea about the sustainability and the logistics issues. Visit in different institutions added to the learning dimension. The role of air power in different wars in the history were elaborately studied and analyzed by the students in the EX-SHOMORANGON.

### TERM-2

EX OVIBAKTI was the first exercise for this term. Many sleepless nights during Ramadan in the syndicate rooms proved to be worth in learning the Defensive Counter Air Operation (DCAO) in EX DHALKHELA-1. Challenge of the Electronic Warfare was mainly focused in EX DHALKHELA-2. The student officers had a complete idea by reading and writing on conduct of war for MUKTOCHINTA-2. Shielded with the knowledge of Air Defense, the students then focused on strike by EX-BAJRAAGHAT which gave them the clear understanding of Offensive Counter Air Operation (OCAO). Different seminars and lectures on national and international issues enriched the knowledge of the students. EX DRISHTIKONE in terms of writing the Concept of Operation and the presentation of it was a big challenge for the student officers of Air wing. By the end of this term, Air Wing student officers became confident enough on the employment of air power in different roles.

# AIR WING COURSE RESUME

## DSCSC COURSE 2017-2018

### TERM-3

The student officers of Air wing in this term had broad and complete knowledge on command and leadership. For that a seminar on command and leadership was conducted by the expert team from UK. Ex-MUKTOCHINTA-3 was conducted in this term where the student officers express their mind on the complexity of military problems and analyzed the influence of personality of a Commander. EX SHANTIR PAYRA was an interesting exercise by which the student officers learnt the UN decision making process. Then, EX AGNIRBAAN was conducted in this term which was challenging and interesting for the Air wing students. This exercise was conducted in 02 phases. Initial phase was Exercise Writing Team (EWT) where the students worked as a member of the team and then Command Post Exercise (CPX) which was the second phase of the exercise. In this exercise there was active participation of the student officers from Army. DSs evaluated the planning of the controllers and decision making challenges of the players. Ex-LUBDHOK GUNGCHILL was conducted in Chittagong with the Naval Wing students for giving the experience on plan validation by simulation in simulator. The most interesting part was the day wise role play in EX SHMOR NAKSHA which started from the Strategic level and went up to the Operational level. This exercise was an opportunity for the Air wing student officers to think about the military power in relation to the elements of national power. At the end of the term all student officers got the understanding and importance of joint operations by EX HATI KHEDA. At the end of the term the IST came as a respite for the students.

### TERM-4

The term started with Ex-Jukti-Torko. The students appeared for the viva-voce of their IRP. The student officers became worked to plan for the Forces Goal-2030 in EX BHABISYAT PORIKOLPONA. After that the visit to Chittagong and sea trip to Saint Martin Island by BN ships gave the most charming experience to the students. Finally the EX AGNIBEENA was conducted in 3 phases where the the students were tested in terms of their concepts, endurance and consistency. The initial phase was to elaborate the 6 stages campaign planning in operational design. After selection of the campaign plan, in second phase, the student officers prepared the support campaign plan and finally basing on that plan, the 3rd phase all the students divided into groups and played a two sided CPX/War Game. The participation of all the students and guidance from the faculty members took the course to the peak. The importance of jointness and the Strength, Capabilities and Limitations of each service came in front for better understanding of all the students of all the services.

### THE SUCCESSFUL COMPLETION

After the EX AGNIBEENA the most demanding event came in front that the best IRP awarding ceremony which gave color and motivated the best papers of three wings by receiving Golden Pen from the Commandant. The Graduation Dinner party which was held on 1st February 2018 started ringing the bell of departure for the student officers. On 07 February 2018, the proud student officers of DSCSC received the certificate from the Honorable Prime Minister of Bangladesh Sheikh Hasina and Graduated successfully from DSCSC.

## LIFE AT DSCSC, MIRPUR

### MY STAY AT MIRPUR

Let me start by honestly expressing myself that the first few weeks in Mirpur were confusing, difficult and overwhelming. All too often I would ask myself, why did I even choose to come here? Why didn't just stay in my comfort zone? At times, I remember DS asking if I liked Bangladesh. I think I liked this place, was always the answer, but I was definitely not comfortable. Surely many foreign students initially felt the same.

But, soon the coming weeks reassured me, the beauty of the campus, caring faculty, the games at sports complex and friendly atmosphere changed the situation around. Slowly and steadily we became less reserved and more eager, less anxious and more relaxed; and very soon we realized that they were right in saying that Bangladesh is lovely.

Look at us now. Look at all that we have achieved together in 11 months. We have put together numerous operational and administrative exercises, innumerable COX's and War Games, and many cultural programmes. We have had sleepless nights together in syndicate rooms, written numerous MuktoChintas and Ovibaktis, hosted Guest Speakers and completed a whole Campaign Plan. We made our voices heard, and have learned to be true Mirpurians. We did all these in the past year and yet all these achievements would have remained imaginary and abstracts illusion floating around the lake of Mirpur presented us. Instead of fear and prospect of failure, we saw new possibilities and opportunities to embrace challenges with optimism and belied in Mirpur values.

Having said that let me be a bit practical about activities and our experience. First in the line was two weeks induction course aimed at introduction of course structure and local culture. We were professionally exposed to things that we were expected to come across frequently during our stay in the country. Most fascinating were the visits we made to various institutions and work places. This was indeed the beginning of negation of preconceived notions about Bangladesh. We learnt that Bangladesh as a country was so determined to attain an enviable position in the region.

Next came the Ice Breaking Ceremony, which marked the commencement of course, aiming to introduce us to our sponsors (DS, student and Civilian). The sponsor Ds and student took care of us in Mirpur with regards to our course requirements. Civil sponsor played a vital role in exposing us to the rich and fascinating culture of Bangladesh.

I personally had a fascinating time with my civil sponsor. I realized that this was just one of the ways the college extends their hospitality towards foreign students. My civil sponsor was really the man who drove me deeper into the love I have for Bangladesh as a country.

# OVERSEAS STUDENTS CORNER

## LIFE AT DSCSC, MIRPUR

During the course we realize the professionalism of the faculty. Their wealth of knowledge, Humanity and compassionate tendencies eased out our learning environment. They were quick at ensuring that our thoughts and approaches converged to a common purpose, despite we were from different military backgrounds. In nut shell, we have learnt very useful concepts that might add value to what we already know. Apart from the academic knowledge, they had always shown concern over our well-being. The faculty showed concern and most cases consoled and comforted individual having welfare problems back home. Their loving kindness would possibly drive any of us into making a comeback if a second coming could have been possible.

The course structure was exhaustive yet systematic and we have been immensely benefited from the knowledge acquired in Mirpur.

Mirpur provided equal opportunities to our families by involving them in the ladies club enrichment programmes. They were frequently exposed to local culture, customs and grooming classes. Study Tour to Chittagong and Cox's Bazar was very exhaustive yet fruitful to experience and embrace new things coming our way.

This is perhaps due to the experience and dedication for the SD and Admin Staff that our stay here has been a win-win situation. We have not only acquired military and academic knowledge, or had the opportunity of having long lasting friendship, but we have also succeeded in the tapping the expertise of the SD and Admin Staff in giving out optimum service within constraints. We have a lot to import home as we go back.

## RESUME

### VOLLEYBALL

Apparently, volleyball is an easier game than that of football where intellect works more than the muscles. The volleyball competition of the course was held in the First term where an exciting enthusiasm was observed. The tournament was organized by the Naval Wing. It started on 10 Apr 2017 and terminated completed on 08 May 2017. Total twenty two teams were formed as per respective syndicates. The teams were divided into two groups. The competition was played in Knock out system. After a nerve breaking semifinal, Army Syn-6 and Naval Syn-1 could qualify for the final. Finally, Army Syn-6 displayed their outstanding intellect which indeed made them the champion. Cdr GG Morshed (Course No 206) of Naval Syn-1 was awarded with Best Player award for his splendid performance.

### FOOTBALL

The sports competition of DSCSC 2017-2018 was inaugurated with the opening of football competition. The football competition was organized by Army Wing. The tournament started on 12 July 2017 and terminated on 31 July 2017. Total six teams were formed blending Army, Navy and Air wings as per joint syndicates. An enormous enthusiasm and delighted participation was evident throughout the tournament. Maximum participation was observed in this tournament. Moreover, the participants displayed their best of strength, swiftness and stamina during their respective matches. All the teams tried their best to achieve the throne, but finally the survivor got the victory. Indeed, Team C-2 became the champion by defeating Team B-2. Major Himadri Shekhar, ASC (Course No-94) received the Best Player award in this tournament by displaying his talents and technics.

### BASKETBALL

Basketball is one of the world most popular and widely viewed sports. The basketball competition DSCSC 2017-2018 was held in the third term. The tournament was organized by the Army Wing. It Started on 10 Sep 2017 and terminated on 16 Nov 2017. The student officers participated in this competition according to service syndicates. The competition was in knock-out system within the groups and from each group one team was qualified for final. Total 6 teams were divided into two groups. This created extra spark of enthusiasm among the student officers. All student officers wanted their groups to win. After a nerve breaking semifinal, Army Div-A and Army Div-C could qualify for the final. Finally, Army Div-A displayed their outstanding intellect which indeed made them the champion. Major Arif (Course No 48) of Army Wing Div-C became the Best Player for his outstanding performance.

# SPORTS

## RESUME

### HASH

Family Fun Race (HASH), an interesting recreational event was conducted for the officers and their families. It was organized by the Air Wing on 06 Nov 2017. It was a unique opportunity to walk and run down the campus with the members of respective families. The competition was crowded with the enthusiastic DSCSC families and added some color in it. All the participants enjoyed the sunny bright afternoon. Lt Cdr Liu (Course No 241) along with his spouse won the couple category and Lt Cdr Monjur (Course No 236) with his family becomes champion in family category.

### WATER SPORTS

Water sports competition commenced on 03 Dec 2017 under the arrangement of Naval Wing. It was the most participated and colorful sports events of the course. Rowing, canoeing, couple paddle boat race and rowing fun race were the main events. Among those events Rowing Fun Race included faculty members besides student officers. Naval wing showed their traditional superiority in Rowing and Fun Race competition by becoming champion. Moreover, Lt Col Correa Netto (Brazil) became champion in canoeing through a stunning competition. The paddle boat race was the most colorful event as it included the lady wives. Cdr Shoeb (Course No 218) and his spouse touched the land mark in this event.

### TENNIS AND SQUASH

Tennis and squash competitions started on 03 Oct 2017 in DSCSC sports complex where faculty members also took part. Between these two events, tennis competition was conducted in two categories: single and doubles. In single, WgCdr Zaky (Course No 318) of Air wing became champion. However, in doubles, Lt Col Irfan (GSO-1) and Lt Col Raisul (ADS-23) defeated Lt Cdr Ashiqur (ADS-15) and WgCdr Santanu (Air DS-5). Moreover, in squash, Sqn Ldr Utkarsh (India) became champion.

### SPORTSMAN OF THE YEAR

Sports round-up for DSCSC 2017-2018 was held on 30 Jan 2018 at DSCSC Lake which was the last sporting event of the course. Officers with their families were cordially invited. However, the declaration of the best player of this course was the terminal event of the sports competition. Lt Col Bernardo Romão Corrêa Netto (Brazil) of the Army Wing won this prestigious title competing sportsman of the year. He achieved this title by becoming champion in Squash Competition and runner-up in canoeing competition. Finally, the commandant DSCSC announced the grand final of the sports round-up.

LADIES CLUB

# LADIES CLUB

## DSCSC COURSE 2017-18

# LADIES CLUB

## RESUME

Defence services command and staff college values the social interactions of the military wives in their daily lives which has an important role of the armed forces society. In this connection, the DSCSC Ladies club plays a pivotal role in grooming the ladies through collaborative social interaction, encouraging them to support their husband's career while concurrently achieving self-development with a view to bringing goodness to their families. The club also helps to foster relationship within the ladies community and families and imprints the 'Mirpur values and ethos on their lives.

The DSCSC Ladies club is the only ladies club in Bangladesh Armed Forces, which has active members from all the three services (Army, Navy and Air Forces) including members from friendly foreign countries. Officers of tri-services from home and abroad come here with their families every year to undergo the staff course. Thus, DSCSC Ladies club also receives new members to rejuvenate itself with the presence of new and enthusiastic talents.

This year the DSCSC ladies club was fortunate to have 280 members from home and abroad. While the officers remained busy in developing their career, the ladies also appropriately utilized their time to enrich themselves through different programmers. They also found a host of opportunities to explore their talents through different cultural and social programmers.

The club organized a number of lectures, demonstration sessions on matters of common interest to all ladies. These lectures, demonstrations included manners and etiquettes, values of the military society, home decoration, cooking, presentation of dishes, beauty and body care, child behavioral problems and its remedies, health care and many more. These sessions were conducted by capable and reputed experts from associated fields.

The DSCSC Ladies club held regular and special meetings to resolve ongoing issues of Mirpur life. Welcoming the incoming members and giving farewell to the outgoing members was a common affair. The club organized a number of cultural programs for its members.

One such event was the 'Golden Evening' which was very colorful and highly appreciated by the guests. The overseas ladies also enthusiastically participated in that event. Another attractive event of the DSCSC Ladies club was the 'Food Festival' Ladies cooked and presented dishes of more than 100 varieties of traditional, rural, oriental, and Western food. Ladies of the friendly countries also cooked food of their own culture and tradition.

As secretary of the club, with deepest reverence I should like to thank Dr. FatemaTuzZohra, President of the DSCSC Ladies club, for her keen interest in club activities and guidance in organizing multiple club events. I also appreciate the participation and cooperation of all the members for making this year's very educative, enriching, colorful, and successful, thereby radiating fame of the club. I sincerely wish a very happy and prosperous life to all of you

## RESUME

“We worry about what a child become tomorrow, yet forget that he is some today.”

Stacia Tauscher

Torch Kindergarten is a place where we consider the children as the most valuable treasure of today! We help the students to develop their cognitive ability, and assist them become intellectually curious, and original thinkers who are passionate about learning. We prepare our students to be life-long learners and leader. Our school use the principal of standard education, including depth, complexity, challenge, enrichment, and acceleration of the curriculum, to meet the needs of intellectually capable students. Our school supports an experienced faculty who aim to stay current in their fields and who employ developmentally appropriate pedagogy with their students.

“Children need the freedom and time to play. Play is not a luxury. Play is a necessity.

Kay Redfield Jamison

As a community, we are committed to the social and emotional well-being of all our students. We seek to develop the individual potential of each student in a collaborative atmosphere that values intellectual freedom and inspiration. We value families as partners in this work, and as partners in creating the schools' unique environment. As a community we foster respect & appreciation of individual and cultural differences.

We believe strong foundation for learning should begin from the very childhood. And it is possible only when we provide safe, supportive, caring and play-based learning environment what our school is truly practicing. We are helping the kids developing their English speaking skill right from pre-primary classes. We also teach them to develop their moral and humanistic values. In the morning assembly, they make promise by reading pledges based on moral and humanistic values. We try to make every experience happy and positive in a child's early life. The school results are really excellent.

Torch Kindergarten is equipped with Children friendly infrastructure. It is indeed a place where health and hygiene, safety and security of every child are monitored at all times. The school has escalated to a great horizon of success and it has become a dream destination of many parents. It has become synonymous of academic excellence and co-curricular excellence. There are lots of things children are doing throughout the academic year. They are making field trips, participating sports and picnic, enjoying class party, displaying different creative and innovative projects in the education fair, visiting country rooms on international day of DSCSC, taking part at different competitions on important national days and events.

Young children learn the best through activities that are engaging, authentic and relevant to their lives. The curious kids are preparing different innovative, colorful project assignment according to their level with the help of teachers and their parents. Through these activities they are able to develop their reading, writing and speaking skills. They are becoming smart and confident. Exposure to different activities apart from academics, like sport, manners, etiquettes, life

# TORCH KINDERGARTEN

## RESUME

skills, social skills have made our learners gain self-confidence and the art of living. We want them to be curious, amazed and adventures. Our school focuses on developing holistic development of the child.

In the academic year 2017-2018, a total number of 217 students in five classes- play, Nursery, K.G. Standard-I& Standard-II, had studied. The most amazing part of Torch Kindergarten in to have children around the world. Their spontaneous presence makes the school more beautiful and attractive. This year we have some lovely kids from India, Palestine, Nigeria, Jordan, Malaysia and Saudi Arabia.

Torch Kindergarten emphasizes on the development of the child as a whole. Hence the children of the school are happy and enthusiastic to learn. I want my students to be able to say these things when they leave me: I am a worthwhile person; I deserve a place on this earth; I am successful; I am ready for wherever the world throws at me- today or tomorrow.” Roberta For
