Information and ideas furnished in this magazine are solely of the individuals. These are not necessarily of their governments and are not to be considered an endorsement of those governments or any of their departments.

Brigadier General Md Kamrul Hassan, SUP, afwc, psc, G

With great sorrow, we remember Brigadier General Md Kamrul Hassan, SUP, afwc, psc, G, an ex-faculty of DSCSC, who tragically passed away on 21 November 2024. He was commissioned in the Corps of Artillery on 11 December 1997 with 37 BMA Long Course. Brigadier General Kamrul served with distinction as a faculty member at DSCSC Mirpur in two tenures, from 29 March 2019 to 22 January 2021 as ADS-3, and from 11 April 2023 to 14 January 2024 as ADS-18. His professionalism, dedication, and expertise left an indelible mark on his peers and students. He has left his wife and daughter. His memory will continue to inspire all who had the privilege of working with him.

Lieutenant Colonel Md Imam Fokruddin, afwc, psc, G

It is with profound sadness that we commemorate the life and service of Lieutenant Colonel Md Imam Fokruddin, afwc, psc, G, who unexpectedly passed away on 26 April 2024 while serving as a faculty in DSCSC. He was commissioned in the Corps of Artillery on 24 December 2003 with 49 BMA Long Course. A dedicated and highly skilled officer, Lt Col Fokruddin served with excellence from 09 December 2022 to 26 April 2024 as ADS-23. His professionalism, competence, and commitment have left a lasting impact on his colleagues and the institution. He has left his wife and 02 children. His legacy will be remembered with deep respect and admiration.

FROM THE DESK OF THE EDITOR

THE TORCH 2024

Bismillahir Rahmanir Rahim

The Torch is a distinguished annual publication produced by the Defence Services Command and Staff College (DSCSC). This magazine reflects the Course Participants' dedication to professional excellence and vividly captures the memories created during the course, DSCSC 2024. The photographs within its pages serve as a testament to the vibrant essence of life at Mirpur throughout this memorable year.

True to tradition, this year's curriculum upheld the rich heritage of DSCSC while fostering professional excellence. The course commenced on 28th January 2024, marked by the ceremonial hoisting of national flags from 25 countries alongside Bangladesh's own. A total of 267 participants took part, including 141 officers from the Bangladesh Army, 40 officers from the Bangladesh Navy, 26 officers from the Bangladesh Air Force, 3 officers from the Bangladesh Police, and 57 officer from 25 friendly countries. The DSCSC 2024 ended on 28th November 2024, with each participant leaving a lasting impression on the college.

This publication encapsulates the diverse experiences of learning, camaraderie, and joy shared by the participants throughout this pivotal military training. For those involved, it stands as a timeless keepsake, commemorating the year's events and milestones. For external readers, it offers a unique glimpse into one of the finest academic institutions of the Bangladesh Armed Forces.

The editorial board takes immense pride in compiling these moments round the course. I extend my heartfelt gratitude to the Commandant for his confidence in our efforts. Special thanks go to the Chief Editor and the entire editorial team for their invaluable contributions to the success of this magazine. May this magazine inspire its readers to cherish the values of camaraderie, perseverance, and excellence. May the Almighty's blessings be with us always.

Gp Capt Md Rafiqur Rahman, BUP, psc, ATC

Maj Gen Chowdhury Mohammad Azizul Haque Hazary, OSP (BAR), SGP, ndc, psc, M Phil

COMMANDANT'S MESSAGE

THE TORCH 2024

It brings me immense joy and satisfaction to know that THE TORCH 2024, the annual magazine of the Defence Services Command and Staff College (DSCSC), Mirpur, has been successfully published, continuing the tradition of previous years. This magazine is a testament to the hard work, dedication, and professionalism of our esteemed faculty, staff officers, and course participants. As we turn its pages, we are reminded of the diverse events, exercises, and milestones that have defined the past year at DSCSC. From the demanding academic curriculum to the complex joint exercises involving participants from various branches of the Bangladesh Armed Forces, Police, and the armed forces of friendly nations, this publication reflects the excellence we consistently strive for at DSCSC.

I would like to extend my sincere gratitude to the editorial team and contributors, whose tireless efforts have brought this edition of THE TORCH to life. Their passion for excellence and dedication to sharing the stories of 'Mirpurians' is commendable. This year's edition stands out as exceptional, particularly as it marks the conclusion of a challenging and unique year. Despite adjustments to the training curriculum, our faculty and course participants displayed remarkable resilience, adaptability, and creativity. They have maintained the highest standards of professionalism, committed to fostering jointness and excellence across all services.

I hope this magazine will remind us what we can achieve when we unite in aspiration—'To Think as One, to Fight as One'—for our beloved nations. May 'THE TORCH' continue to shine brightly as a symbol of our collective pursuit of knowledge, innovation, and excellence, celebrating the remarkable achievements of all 'Mirpurians'.

Ethos of DSESC

- Country first
- I lead decisively
- We will win

The Beginning

The journey at DSCSC commenced on January 28, 2024, with 142 young and excited souls from the Army Wing and their families. The newly arrived officers were warmly welcomed and accommodated in the DSCSC residential area, Mirpur station officers' accommodation, and Krishnochura and Sheuly apartments. Additionally, 35 overseas army officers from 25 friendly countries joined the course. Meanwhile, three officers from the Bangladesh Police, including two from the Army Wing, arrived in Mirpur. After completing formalities, the participants embarked on a challenging but rewarding journey driven by the motto of DSCSC, 'Knowledge is Power'.

First Term (January 28 to April 04, 2024)

The dream journey of the DSCSC Army Wing course participants commenced on January 28 with the inaugural event, the vibrant Flag Raising Ceremony, where army officers from 25 nations proudly hoisted their national flags. Besides, the ice-breaking ceremony was crucial in fostering a harmonious atmosphere and facilitating spontaneous and lively interactions among participants, faculty members, and peers. Academic activities unfolded in venues such as Mirpur Hall, the Old Heritage Building, and the DSCSC Complex. These became key components of our daily lives, encompassing presentations, syndicate discussions, and exercises. Exercise KOTHAMALA was the initial activity, enabling course participants to convey their thoughts and ideas within a 5-minute timeframe. Subsequently, Exercise MUKTOCHINTA-1 was organised to offer exposure to the participants on their analytical skills and writing proficiency. Furthermore, the Assimilation Test (AT) was designed to increase the knowledge appetite among the course participants. In addition to these exercises, participants diligently prepared to enrich syndicate discussions. Concurrently, the initiation of the Individual Research Paper (IRP) and Group Research Paper (GRP) took place under the guidance of the respective Supervisor Directing Staff and was extended until the third and fourth terms respectively. Exercise BORENDRA PRACHIR was crucial in reinforcing the understanding of operation orders and enhancing the participants' confidence in composing such documents. Exercise SHOMOR PORIKOLPONA, the inaugural map exercise, provided a comprehensive understanding of the Decision-Making Process (DMP) and showcased the example that teamwork is a must for success. Nevertheless, Army Wing Division A amused the entire DSCSC with their mesmerising social evening named 'ALPHA TUNE'.

Second Term (April 14 to June 13, 2024)

After the first term break and Eid-ul-Fitr leave, the second term started on April 14, 2023. At the very outset, the course participants attended Exercise MUKTOCHINTA-2, focusing on projecting analytical writing skills. Subsequently, Exercise PRAN SHONCHAR offered scope to the course participants to formulate administrative orders effectively in support of an ensuing operation. Thought-provoking syndicate discussions centred around defensive operations, offensive operations and the Orange Land package. After that, course participants participated in a map exercise on offensive operations named Exercise MORON CHOBOL, allowing participants to validate their plans in a computer-assisted exercise (CAX). Exercise SHOKTO PRACHIR, GHURNIJHAR and Exercise ONUSHILON PORIKOLPONA provided a firsthand experience to the participants of this course about the ground realities through Tactical Exercises Without Troops (TEWT) held in the Jashore and Bangabandhu Cantonment area Respectively. Throughout this term, DSCSC welcomed several distinguished scholars who shared their extensive experience and knowledge with the course participants. Core modules included Counter Insurgency Operation (CIO), Disaster Management (DM), Unconventional Warfare (UCW), and Information Warfare (IW). The CIO seminar presented by the Staff College delegation of Sri Lanka was particularly enlightening. Moreover, IW and media seminar also enriched the course participants with a horizon of knowledge. In this term, Army Wing Division B amused the souls of DSCSC through their fabulous social evenings named 'BAND OF BRAVO'. Besides, the International Day arranged by our overseas course participants was a colourful and gorgeous event to cherish.

COURSE RESUME

ARMY WING (DSCSC 2024)

THE TORCH 2024

Third Term (Jun 30 to September 12, 2024)

The third term was the most intense and the longest one. After the second term break and Eid-ul-Adha leave, the term commenced on Jun 30, 2024. As usual, the term began with MUKTOCHINTA-3. It was followed by the deposition of 60% of the work of IRP, which was a great challenge for most of the course participants. After that, Exercise CHORA BALI put the participants into a deep quicksand for over two weeks. However, they could find their way out through a Command Post Exercise (CPX). In addition, Exercise OVIBAKTI-1 knocked on the door with the art and skill arguments after the exercise. The Term-3 is also called as a term of jointness. Joint operations, military strategy, and operational art and design were introduced in this term. One of the most exciting events of this term was Exercise DORPO CHURNO-1, which opened the real-time strategic and operational scenario to the course participants. Meanwhile, campaign planning process packages began in full swing. Moreover, seminars on IR and IHL by distinguished guest speakers were an eye-opener for course participants to think differently about any conflict study. In this term, Army Wing Division C won the hearts of DSCSC through their mind-blowing social evening named 'CHARLIES EUPHONY'. Similarly, our enthusiastic overseas course participants along with their families arranged the International Ni, which was also a wonderful event. After an extensive journey through the intensive course curriculum and much speculation and fantasy, the course participants were privileged to have the Overseas Study Tour (OST) in 09 countries, including Australia, from September 08 to September 12, 2024. It was a unique opportunity to explore and learn about the cultures of those friendly countries.

Fourth Term (September 22 to November 28, 2024)

The fourth and final term was also packed with events, which commenced with the joyful hearts and minds of the course participants after a memorable and joyous OST. The argumentative writing exercise, OVIBAKTI-2, was the first event in the series. The deposition of 100% of the work of IRP was the most significant relief of the course for all the young researchers at DSCSC. It was followed by Exercise DORPO CHURNO-2, which depicted another dimension of real-life strategic and operational understanding. After this exercise, the course participants appeared at the IRP Viva-Voce. Furthermore, the DSCSC Ladies Club's golden evening was a spectacular event, as the wives of the course participants astounded everyone with their inventiveness and cultural talents. The signature event of the DSCSC Course 2024 was Exercise AGNI BEENA, which was in effect from 17 October to November 06, 2024. The exercise successfully forged jointness and gave the course participants a comprehensive idea of formulating a campaign plan, supporting a campaign plan, and finally conducting a CPX with that plan. After the exhaustive exercise AGNI BEENA, the course participants enjoyed the Internal Study Tour (IST) in Chattogram for a week. Exercise BHABISHAT was conducted for two days which gave broad exposure to all three wings on formulating the Forces Goal and Perspective Plan within the available budget. Meanwhile, the lovely Food Festival organised by the Ladies Club featured a variety of delectable meals and dishes, adding a joyful atmosphere to the DSCSC campus. The course participants' vibrant performance at the fantastic Gala Night, the course's final cultural presentation, mesmerised all. Meanwhile, the course participants enjoyed warmth and hospitality at the Commandant's Garden Party. Besides, the gracious presence of the Chief of Naval Staff, Bangladesh Navy, as the chief guest at the graduation dinner made the course participants proud and honoured. On November 28, 2024, the Chief of Army Staff attended the graduation ceremony and distributed certificates among the course participants. Finally, an arduous yet coveted journey of knowledge at Mirpur ended on November 28, 2024, with all good memories and the "psc" at the end of each course participant's name.

NAVY WING

COURSE PARTICIPANTS WITH FACULTY MEMBERS

DSCSC 2024

Casting off

The intrepid voyagers of Navy Wing DSCSC 2024 sailed for the long 44-weeks journey on a bleak winter morning. Colourful Flag Raising Ceremony on the 27th January marked the official beginning of a breath-taking journey. The day would remain ever-fresh in the hearts of forty Bangladesh Navy Course Participants and a member of Bangladesh Police. The wing also experienced the diverse shade of eleven Overseas Course Participants from ten different countries including India, KSA, Malaysia, Maldives, Nigeria, Oman, Pakistan, Palestine, Sri Lanka and Tanzania. The opening address by the Commandant and the Chief Instructor generated pride, passion and perseverance among the Course Participants. Moreover, Senior Instructor (Navy)'s thought-provoking words have set the tone to explore uncharted waters of historical significance, strategic affairs, warfighting skills and philosophical wisdom. First day events ended through an Ice-breaking Ceremony, aimed at breaking the shackle of Course Participants' hesitant, timid mind-set to pursue their greater goals.

First Term -Laying the Foundation

The glorious journey began on 28th January 2024. The term was primarily focused on building the foundation of individual service affairs. Distinguished professors took classes on Effective Communication Skills and Research Methodology. A series of central presentations on different services and corps along with their roles and duties were delivered by services' representatives. Exercise MUKTOCHINTA-1 (an analytical writing test) and Exercise KOTHAMALA 1 and 2 (Public speaking in both English and Bangla language) were conducted to develop both written and oral communication skills. Besides, Course Participants were exposed to an in-depth study on the Law of the Sea, San Remo Manual and the Laws of Armed Conflicts. Moreover, they analysed the Maritime Doctrine of different nations, to recommend feasible options for revising the Maritime Doctrine of Bangladesh. The Course Participants were also exposed to the Intelligence Preparation of the Operational Environment (IPOE) and Navy Planning Process (NPP) package. They have learned the core concepts of operational art and design to apply its takeaways in operational level planning and subsequent tactical level implication. Seminar on Air Defence, Leadership, and FDMN helped the Course Participants to remain at par with the contemporary affairs. Moreover, Exercise SHOMUDRO BIDHAN was conducted to leverage peer learning on maritime laws. Finally, Term-1 was terminated with an exhaustive logistic exercise named Exercise SHOMUDRA JATRA.

Second Term -Engaging in Tactical Mastery

The term commenced with Exercise MUKTOCHINTA-2, which provided an opportunity to develop the writing skill of the Course Participants. The first single service tactical exercise named Exercise SHOMURDO GORJON was conducted in this term. Intense table-top wargame (Command Post Exercise) developed Course Participants' tactical mastery of naval warfare. In addition, Exercise SHOMUDRA SHONGHAT enabled them with a detailed analysis of historical and contemporary naval wars. In this term, the officers were exposed more to the joint module on security affairs, unconventional warfare, information warfare, counter insurgency operations, media management, disaster relief etc. Additionally, they were tasked to develop their research works on selected topics. Besides, an effort was undertaken to conduct Group Research Paper (GRP) by the Course Participants. At later phase of the term, Course Participants visited Khulna Naval Area, Mongla Port Authority, Khulna Shipyard, and Commander Flotilla West to have a clear understanding on the roles and functions of different organisations. They also visited the largest contiguous mangrove forest of the world -Shundarban, and Maitree Thermal Power Plant. Organising the Navy Wing Social Evening was one of the keystone events of Term-2. The term ended through a Navy-Air joint Exercise named Exercise GUNGCHIL.

COURSE RESUME

NAVY WING

THE TORCH 2024

Third Term -Delving into Joint Environment

Joint warfare remained as the prime focus of third term curriculum. The curriculum aimed at preparing the Course Participants to serve effectively in both Military-strategic and Operational level. Accordingly, the term emphasised on operational art and design, strategic analysis, campaign planning, joint operations etc. Exercise MUKTOCHINTA-3 and Exercise OVIBAKTI-1 tested Course Participants' analytical skill and logical reasoning capability. Exercise SHOMUDRO ONNESHON helped the officers to acquire fundamental knowledge of the classical and contemporary thoughts on maritime strategy. Thereafter, a maritime strategy seminar was organised where the subject matter experts shared their thoughts and evaluated Course Participants' strategic concept on maritime aspects. Exercise NETRITTER DORHON was conducted to inculcate the art of developing command philosophy among the Course Participants. In this term, Exercise RONO KOUSHOL was the major single-service exercise to implement relevant concepts of operational art and design in naval warfare. Moreover, ASTT (computer-aided wargame) part of Exercise RONO KOUSHOL and Exercise GUNGCHIL was conducted in the School of Maritime Warfare and Tactics (SMWT). Negotiation Exercise was incorporated for the first time to incorporate effective negotiation skill amongst the Course Participants. Finally, an Overseas Study Tour (OST) in Australia, China, Cambodia, Egypt, Jordan, KSA, Malaysia, Maldives and the Philippines imparted first-hand knowledge of the respective nations' military, social, and cultural aspects.

Fourth Term -Inching Towards the End-line

Exercise OVIBAKTI-2 was conducted at the very initial phase of the term. Thereafter, the Course Participants were engaged in Exercise LOKKHO MATRA to comprehend the challenges of capital acquisition. This was followed by Exercise AGNI BEENA, the hallmark event of the final term. The long-stretched exercise covering three distinct phases in the joint-service setting was the ideal platform to demonstrate the acquired knowledge of the Course Participants. The exercise also offered an insight on mutual support, resource sharing and the intricacies of synchronising battles/engagements among the three services. Joint Targeting Coordination Meeting and Media Brief added special dimension to the exercise. The day-long Liberation War Symposium regenerated the vigour of patriotism among the Course Participants through the experience sharing of our valiant war veterans. Exercise BHABISYAT provided an exposure on the mechanisms involved in formulating a Forces Goal and outlining Perspective Plan within available budget. The Course Participants were privileged to attend the leadership talks by all three service chiefs. Additionally, Chattogram visit turned out as another keystone event of the term, offering an opportunity to visit various industries and important military ships and installations of the south-east part of the country. Finally, the course ended with a series of social programmes like Golden Evening, Food Festival, Garden Party, Gala Night and the long-awaited Graduation Ceremony.

AIR WING

COURSE PARTICIPANTS WITH FACULTY MEMBERS

DSCSC 2024

Orientation

The Defence Services Command and Staff Course (DSCSC 2024) commenced on 28 January 2024, bringing together 37 Air Wing Course Participants and their families for a transformative journey. The Course comprised 26 officers from the Bangladesh Air Force and 11 officers from ten friendly air forces, reflecting its international diversity. Preparations began a week earlier, as participants and their families arrived at the DSCSC campus. After completing well-organised formalities and arrangements, participants were ready to embark on an intensive ten-month academic and professional experience.

First Term

The Course began with a vibrant flag-raising ceremony, symbolizing unity among the participating nations, followed by an ice-breaking session that fostered camaraderie. Initial briefings outlined academic, administrative, and service expectations. The Commandant's inaugural address inspired Course Participants to embrace the rigorous program, while sessions by the Senior Instructor (Air) and Directing Staffs (DSs) provided clarity on specialised objectives. This term featured foundational Exercises such as Exercise KOTHAMALA, which improved oral communication through presentations, and Exercise MUKTOCHINTA-1, which developed analytical essay-writing skills. Exercise SHOTRUR PURBAVASH introduced Course Participants to Air Intelligence Preparation of the Battlespace (AIPB), while Exercise LOT BOHOR tackled logistics movement challenges under time and resource constraints. Exercise SHOMORANGON analysed historical air wars to extract lessons for contemporary contexts. Assimilation Tests reinforced academic progress, and distinguished guest speakers enriched learning through lectures on strategic topics. Research Methodology sessions prepared Course Participants for the Individual Research Paper (IRP), and the Group Research Paper (GRP) fostered teamwork on current issues. By the term's end, Course Participants had built a solid foundation for the challenges ahead.

Second Term

Following a term break that included the Eid-ul-Fitr holidays, Course Participants resumed their journey with renewed energy. They undertook Exercise MUKTOCHINTA-2, which advanced analytical writing skills, and Exercise SHOKTO DHAL, which simulated defensive air operations to highlight air power's role in national defence. In Exercise BAJRA AGHAT, Course Participants tested offensive air power capabilities through creative operational planning, while Exercise DRISHTIKONE combined various air operations into a comprehensive Concept of Air Operations. Seminars, symposiums, and guest lectures provided deeper insights into the evolving role of military power. Course Participants also advanced their IRPs and GRPs, enhancing their understanding of air power applications and gaining confidence in tackling advanced challenges.

Third Term

The third term, being the most intensive one, began after the Eid-ul-Azha holidays. Exercise MUKTOCHINTA-3 further refined Course Participants' analytical writing skills, while Exercise AGNI BAAN introduced Command Post Exercises (CPX), enabling Course Participants to

COURSE RESUME

AIR WING

THE TORCH 2024

practise operational decision-making. Exercise OVIBAKTI-1 focused on argumentative essay writing, encouraging critical thinking and reasoning out own viewpoints. Joint syndicate discussions on military strategy deepened theoretical understanding, while Exercise GUNGCHIL, a joint effort with the Navy, utilised computer-assisted wargaming to simulate Maritime Air Operations. The term concluded with an Overseas Study Tour, offering Course Participants exposure to military institutions and cultural landmarks abroad, broadening their perspectives on global cultures and military practices.

Fourth Term

The final term began with Exercise OVIBAKTI-3, a computer-based assessment of argumentative writing. Course Participants then defended their IRPs and participated in viva voce sessions, marking the culmination of their research efforts. Exercise AGNI BEENA, the capstone Exercise, comprised three stages of CPX, synthesising all concepts learned throughout the Course into Joint Campaign Planning and Supporting Campaign Planning. Course Participants also took part in an internal study tour to the Chattogram area, visiting military and civil installations such as naval bases, the Kaptai Hydroelectric Plant, and the Chattogram Export Processing Zone (CEPZ), while participating in naval exercises aboard ships in the deep sea. The last exercise, 'Exercise BHABISHYAT' focused on force structuring, providing a forward-looking perspective. The Course concluded with a series of celebratory events, including a Food Festival, the Commandant's Garden Party, and a Gala Night. The graduation ceremony on 28 November 2024, graced by the Chief of Army Staff as the Chief Guest, was a proud moment as the Course Participants received their certificates of the coveted symbol 'psc', embracing the title of 'MIRPURIANS'.

OVERSEAS COURSE PARTICIPANTS' CORNER

I had the privilege of attending the esteemed Defense Services Command and Staff College (DSCSC) in Mirpur, Bangladesh, as a foreign student which was my second time to visit Bangladesh. This exceptional institution, renowned for nurturing strategic thinkers and military leaders, offered a transformative experience that expanded my knowledge, forged lasting connections, and created unforgettable memories. On arrival, I was warmly welcomed by the college's faculty and staff, who demonstrated exceptional hospitality and professionalism. The course, meticulously designed to cater to the needs of mid-level military officers and defense professionals, provided a comprehensive understanding of command and staff duties, strategic planning, and joint operations.

The Oversea Course Participants (OCPs) who were fifty-seven officers from twenty five (25) countries across the globe, fostered a rich cultural exchange. I had the opportunity to interact with fellow foreign students from Mail, Nepal, Germany, China, Kingdom of Saudi Arabia, Kenya, Kuwait among others, sharing experiences, insights, and perspectives. Our camaraderie grew stronger with each passing day, as we navigated the challenging yet rewarding curriculum together. The course broadened my understanding of defense strategy, operational planning, and leadership. Expert instructors, drawn from the Bangladeshi military and international community, shared their expertise through engaging lectures, discussions, and case studies. The college's emphasis on joint warfare, counter-terrorism, and regional security resonated deeply, given the complexities of contemporary conflict.

Social Events

Beyond academics, the college's extracurricular activities and social events allowed us to immerse ourselves in Bangladeshi culture. We participated in various social events including International Day, International Night, Amar Dash, wing specific Social Evening and Ladies Club programme, where the CPs including OCPs showcased their talent and cultural heritage of respective countries. This was enriching as the international day availed all Through active participation, the CPs including the OCPs showcased their rich culture, and there were all kinds of cuisine from different countries for all taste and eat. The International Night was filled with different cultural dance steps music and comedy drama from the OCPs. Sport competitions was also organized for the course participants to keep us fit and breed offensive spirit in the course participants. These activities bonded us with our Bangladeshi counterparts.

Oversea and Internal Study Tour

As part of the Defense Services Command and Staff College's (DSCSC) esteemed program, I had the privilege of embarking on an overseas visit to China, alongside fellow foreign students who ventured to other countries as well. During our visit, we engaged with renowned experts from Chinese institutions, who delivered insightful lectures on China's political system, economic development and regional security. I gained a deeper understanding of China's unique governance model, its evolution, and the role of the Communist Party. We also explored China's remarkable growth story, its strategic initiatives, and the impact of globalization. Discussions were centered on China's foreign policy, regional dynamics, and its growing influence in global affairs. Our visit was not limited to academics alone. We also immersed ourselves in China's rich cultural heritage by exploring iconic landmarks. We visited the Forbidden City where we walked through the imperial palace's majestic gates, uncovering the secrets of China's dynastic past. I visited the Great Wall of China which is standing atop this ancient series of fortifications, I marveled at its engineering feat and historical significance.

I had the privilege of embarking on an internal study tour within Bangladesh. This enriching experience allowed me to explore the country's natural beauty, industrial prowess, and cultural richness. We traveled to Khulna, a city in the southwestern part of Bangladesh. We also visited the majestic Mongla Island, surrounded by the Ganges River, and witnessed the incredible biodiversity of the Sundarbans. At the Khulna Shipyard, we gained insights into Bangladesh's shipbuilding industry and its contribution to the national economy. The visit to Sylhet was my second time as I was there for

OVERSEAS CORNER

LIFE AT DSCSC, MIRPUR

THE TORCH 2024

my Junior Command and Staff Course. The city is nestled in the northeastern part of Bangladesh. We also visited the breathtaking tea gardens, where rolling hills of emerald green tea leaves stretched as far as the eye could see. The tranquil atmosphere and scenic beauty left us mesmerized.

The DSCSC Experience

The DSCSC experience was more than just a course. It was a journey of personal and professional growth. I developed valuable skills in critical thinking, problem-solving, and effective communication. The friendships forged during this period will endure, transcending geographical boundaries. As I reflect on my time at DSCSC, I am grateful for the knowledge gained from esteemed faculty and peers, the lasting bonds formed with fellow foreign students, the opportunity to experience Bangladeshi culture firsthand and the chance to contribute to the global network of defense professionals. To my fellow course mates, instructors, and the DSCSC community, I extend my heartfelt appreciation. The memories and lessons from this experience will stay with me forever, shaping my future endeavors in the defense sector.

THE TORCH 2024

Jointness is not just a concept at DSCSC; it is a transformative experience that shapes us into a unified force. Officers from the Army, Navy, and Air Force come together, not just as colleagues, but as a family. Through shared challenges, stories, and triumphs, we build trust that transcends ranks and uniforms. This trust becomes the bedrock of our confidence and collective growth. From the very first day of this journey on 28 January 2024, I did not just join a course; I became part of a united family with a shared purpose. Every moment of learning, struggle, and achievement was a testament to the power of togetherness. This journey is about more than becoming better officers—it's about growing stronger together, as one.

The course was intense from the very outset, with a packed schedule of central lectures, syndicate discussions, seminars, and symposiums. These sessions covered a wide range of topics, broadening our understanding of both local and global defence challenges. We studied military strategy, international relations, counterinsurgency, cyber warfare, and the growing importance of the blue economy. The privilege of hearing from renowned speakers, diplomats, scholars, military experts, and war veterans was invaluable. Their insights bridged the gap between theory and real-world application, offering us a deeper understanding of global security and the importance of continuous learning and adaptability in our careers.

A core component of the course is the hands-on exercises, both single-service and joint. These exercises, especially those with Army and Navy officers, complement the academic rigour of the program. Although demanding and often resulting in sleepless nights, these exercises provided a unique chance to apply theoretical knowledge in real-world scenarios. By practising military strategies and tactics, we sharpened our understanding, broadened our perspectives, and enhanced our decision-making skills. Exercises on various operational matters challenged us to solve dilemmas and create cohesive plans, reinforcing the value of jointness as we collaborated across services to tackle complex problems. This collaboration strengthened our bond as one unified force.

Beyond academics and exercises, the DSCSC experience is deeply enriched by its exceptional facilities and vibrant campus life. The college's sports complex offers a range of activities, from football and volleyball to basketball, squash, and water sports like rowing and canoeing. These physical activities, though competitive and demanding, offered a refreshing break from academic pressures. They built discipline and teamwork, energizing us while strengthening our connections with fellow participants, helping us unwind and recharge as we navigated the intense course.

The role of families in the DSCSC experience cannot be overstated. They added an essential layer of community and support, making our time in Mirpur richer and more meaningful. The DSCSC Ladies Club played an active role, organising enrichment programs and social activities that allowed spouses to connect, learn, and support one another. These initiatives offered a unique opportunity for spouses to understand military life and its challenges, while fostering lifelong friendships. The Children's Club was also an integral part of life at DSCSC, offering various activities that contributed to the physical and mental growth of our children. This space created a sense of belonging, allowing them to feel part of our journey as well. These family-focused programs reminded us of the critical support role of the family in our lives as officers, and they helped balance the demands of service with the nurturing of our loved ones.

LIFE AT DSCSC, MIRPUR

THE TORCH 2024

The serene and beautifully maintained DSCSC campus is another defining feature of the experience. Its peaceful surroundings, lush landscapes, and well-designed open spaces provided a calm refuge amidst our busy schedules. These scenic views, along with quiet spaces for reflection, allowed us to balance the pressure of academic and physical challenges with moments of introspection. The environment at DSCSC nurtured focus, enabling us to recharge and reflect on our shared journey, helping us grow both professionally and personally.

As our time at DSCSC comes to an end, the phrase "Knowledge is Power" holds a deeper meaning. This journey has been more than just a course—it's been about transformation through shared experience. We started as individuals from different services, but we are leaving as a united family, strengthened by trust and purpose. The challenges we faced together have deepened our bonds, and the lessons we learnt will guide us in our future endeavours. This year has shaped us into officers ready to serve with honour, resilience, and most prominently, with the enduring spirit of jointness.

Wg Cdr Mahfuzul Hasan, GD(P)

Course No-321

Assistant Editor, The Torch 2024

Volleyball

The volleyball competition at the Staff College in Dhaka is a thrilling event that combines athleticism, teamwork, and camaraderie among officers and staff. Held annually, the competition draws enthusiastic participation and transforms the court into a lively arena of sportsmanship and strategy. Players demonstrate agility, precision, and coordination as they engage in spirited matches, cheered on by an energetic crowd of colleagues and families. The tournament not only offers a recreational outlet but also strengthens the bonds of fellowship within the college community. With intense rallies and nail-biting finishes, the volleyball competition highlights the importance of unity and collective effort. The event concludes with a prize-giving ceremony, celebrating the dedication and spirit of all participants.

Football

The football competition at the Staff College is a vibrant and eagerly anticipated event that fosters camaraderie, teamwork, and physical fitness among its participants. Held annually on the lush grounds of the prestigious institution, the tournament sees officers and staff from various departments compete with zeal and sportsmanship. The event serves not only as a recreational break from rigorous academic schedules but also as a platform for building esprit de corps among the officers. With enthusiastic spectators cheering from the sidelines, the matches are characterized by high energy and tactical gameplay, reflecting the competitive spirit of the military community. The competition culminates in an awards ceremony, celebrating excellence, teamwork, and fair play.

Basketball

The basketball competition at the Staff College in Mirpur is a dynamic and high-energy event that brings together officers and staff for spirited contests on the court. This annual competition highlights the importance of physical fitness, agility, and strategic thinking, aligning with the college's ethos of fostering well-rounded development. Participants showcase their skills in intense matches, emphasizing teamwork, coordination, and resilience under pressure. The basketball court becomes a hub of excitement, with lively spectators adding to the electrifying atmosphere. Beyond the competition, the event strengthens bonds among officers, promoting camaraderie and mutual respect. The tournament concludes with an award ceremony, recognizing outstanding performances and celebrating the spirit of healthy competition.

Tennis

The tennis competition at the Staff College is a highly anticipated event that combines skill, strategy, and sportsmanship in a lively and competitive setting. Held on the college's well-maintained courts, the tournament attracts officers and staff who demonstrate precision, agility, and mental focus in their matches. With a mix of singles and doubles games, the competition allows participants to showcase individual talent and collaborative gameplay. The courts buzz with energy as players deliver powerful serves and swift volleys, cheered on by an enthusiastic audience. Beyond fostering physical fitness, the event strengthens camaraderie and builds a competitive yet supportive spirit among colleagues. The tournament concludes with an awards ceremony, celebrating the dedication and excellence of the players.

SPORTS RESUME

THE TORCH 2024

Squash

The squash competition at the Staff College is an exciting event that highlights the participants' agility, stamina, and strategic gameplay in a fast-paced environment. Held on the college's state-of-the-art squash courts, the tournament sees officers and staff competing in intense matches that demand quick reflexes and sharp decision-making. The enclosed court amplifies the energy, with the sound of rapid rallies and enthusiastic cheers creating an electrifying atmosphere. Beyond the physical challenge, the competition emphasizes mental resilience and the ability to adapt under pressure. This annual event not only promotes fitness but also strengthens camaraderie and mutual respect among the participants. The tournament concludes with a celebratory awards ceremony, honoring exceptional performances and the spirit of sportsmanship.

Water Sports

The canoeing and rowing competition at the Staff College in Dhaka is a unique and refreshing event that showcases the participants' physical endurance, teamwork, and mastery of watercraft. Conducted on serene waters near the campus, the competition sees officers and staff take on the challenge of navigating their vessels with precision and speed. The event fosters a spirit of healthy rivalry as teams work in perfect synchronization to outpace their opponents. The atmosphere is vibrant and exhilarating with splashes of water and cheers echoing from the spectators. Beyond the excitement, the competition emphasizes the values of discipline, coordination, and resilience, traits essential for military professionals. The event concludes with an award ceremony, recognizing the remarkable performances and celebrating the participants' determination and unity.

Best Sportsman

The title of the best sportsman at the Staff College in Dhaka is a prestigious accolade that recognizes exceptional physical prowess, dedication, and versatility. This individual excels in multiple sports competitions, showcasing unmatched endurance, skill, and a competitive spirit that inspires peers. Whether dominating the football field, commanding the volleyball court, or displaying finesse in tennis and squash, the best sportsman exemplifies the college's ideals of discipline, determination, and teamwork. Beyond their sporting achievements, they embody sportsmanship, motivating others with their humility and drive for excellence. This honour reflects the individual talent and a commitment to holistic development, a cornerstone of the Staff College ethos. In 2024, Major Ariando of Indonesia was awarded the best sportsman of the year.

LADIES CLUB DSCSC 2024

LADIES CLUB RESUME

Defence Services Command and Staff College values the social interactions of the military wives in their daily lives, which has an important role in the armed forces society. In this connection, the DSCSC Ladies Club plays a pivotal role in grooming the ladies through collaborative social interaction, encouraging them to support their husbands' careers. The club also helps to foster relationships within the ladies' community and families and imprints the Mirpur values and ethos on their lives.

The DSCSC Ladies Club is the only ladies' club in the Bangladesh Armed Forces, with active members from all three services (Army, Navy and Air Force), including members from friendly foreign countries. Every year, officers from the tri-services, both home and abroad, as well as officers from the Bangladesh Police, attend the staff course here along with their families. Thus, the DSCSC Ladies Club also receives new members to rejuvenate itself with the presence of new and enthusiastic talents.

DSCSC Ladies Club was fortunate to have members from home and abroad. While the officers remained committed to developing their careers, the ladies also appropriately utilised their time to enrich themselves through different programmes. They also found a host of opportunities to explore their talents through different cultural and social programmes.

The club organised several enrichment programmes on matters of common interest for all the ladies. These classes and demonstrations included Manners and Etiquettes in Bangladesh Armed Forces: Gradual Development of Spouses, Dining Etiquettes and Table Manners, Behavioural Problems in Childhood to Adolescence: Parents Support, Various Types of First Aid Treatment, Understanding of Organisational Expectations from Military Spouses, and Importance of Sound Mental Health for Sound Family Life. Besides, as a part of the training programme, the DSCSC Ladies Club organised 'Car Driving Training,' a yoga course, and a class on 'Fruits/Vegetables Curving' for the members of the ladies club. These sessions were conducted by capable and reputed experts from associated fields.

The club held regular and special meetings to address ongoing issues of Mirpur life. Welcoming the incoming members and bidding farewell to the outgoing members were common affairs. The club organised several cultural programmes. One such event was the colourful 'Golden Evening,' which was highly appreciated by the guests. The overseas ladies also enthusiastically participated in cultural events. Another attractive event of the DSCSC Ladies Club was the 'Food Festival.'

As secretary of the club, with deepest reverence, I would like to thank Shireen Sultana Mily, President of DSCSC Ladies Club, for her keen interest in club activities and guidance in organising various club events. I also appreciate all the members for their active participation that made the year educative, enriching, colourful and successful. I sincerely wish a very happy and prosperous life to all of you.

CHILDREN CLUB

RESUME

THE TORCH 2024

DSCSC Children Club is unique in its nature as it houses not only the children of officers of the Bangladesh Armed Forces, but also the children of overseas course participants of DSCSC. The objective of the DSCSC Children Club is to create a homely atmosphere and friendly relationship amongst the officers' children. Besides, the club also focuses on enriching its members through educational and co-curricular activities. The club began its journey on October 2021. Since then, it has been operating with the vibrant presence of the heavenly kids.

While the officers remain busy with the training activities, they get very little time to groom their kids. DSCSC provides an excellent opportunity to those kids for making progress in educational and co-curricular activities by different sessions of the club. Kids of all faculty members, staff officers, and course participants are entitled to join the club. The club's age range for membership is 5-15 years. Usually, the club conducts classes on karate, music, drawing etc.

Besides the classes, the club organised examinations of karate and awarded coloured belts in every three months. The club members often voluntarily participate in different social evenings of the DSCSC. The children of the club were very vibrant and enthusiastic throughout the year. The credit goes to the President of the DSCSC Children Club, Shireen Sultana Mily for her continuous guidance and persuasion in making the club vibrant.

As the secretary of the club, I am grateful to the Almighty for blessing the club in accomplishing yet another successful year. With the deepest admiration, I would like to thank the President and the Vice President of the DSCSC Children Club for their prudent guidance in piloting the club. I also thank all the senior ladies and other affiliated members for their relentless drive to keep the club functioning. I wish DSCSC Children Club a happy and prosperous future.

TIS - A Beacon of Excellence

Established in March 1985 as a kindergarten, Torch International School has grown into a dynamic institution focused on nurturing young minds with quality education, instilling virtues, and fostering a spirit of lifelong learning. With 39 years of unwavering commitment to excellence, the school continues to evolve to meet the needs of modern education while staying true to its mission of creating enlightened and responsible global citizens.

The year 2024 has been remarkable for Torch International School by including:

Southern Gate inauguration, establishment of new playground equipped with engaging play stations. The school premises and classrooms are now under CCTV surveillance, ensuring a safe learning environment. Plan to introduce Class V in 2025 were finalized, aligning with our mission to provide a robust foundation in primary education.

Achievements over the Years

Torch International School rebranded as a registered English Medium School in 2022. A new website and online payment system were introduced. Library and Guardian Waiting Room has also been opened.

Torch International School prides on offering celebrating key events like:

National Days, Armed Forces Day and Global Observances: World Environment Day and Earth Day.

Torch International School takes keen interest on extra-curricular activities.

Student participation in field trips, sports, competitions, education fairs, and class parties fosters values like respect, responsibility, self-discipline, and patriotism. These experiences leave a lasting impact, especially on students from international backgrounds, shaping both their minds and hearts. They build a deeper connection to the world, carrying these lessons with them for a lifetime.

TIS shape minds, inspire dreams, and nurture values. Together, we strive to make TIS a lighthouse of excellence, contributing to the global community with enlightened, confident, and responsible individuals.

Torch International School remains steadfast in its mission to blend tradition with modernity, empowering young minds to excel in a dynamic world. With a legacy of success and a vision for the future, we continue to build a community that values education, character, and global citizenship
